Policy & Procedure Sub-Committee Report

Dear ASC,

The P&P Sub-committee met on December 5th, at the Alive Center. The policy changes are done and ready for distribution today. Much appreciation to those that helped with this ongoing project.

Our goal was to have the revised policy ready for distribution by January 2010 and we have exceeded that goal. We hope that the policy has a clearer understanding for all, and should be updated on the web page soon. We will explore putting together a reference page to coordinate all pages related to the policy questions that arise.

Supplement pages will be provided as needed.

The P&P committee will continue to meet the 1st Saturday of every month. We will still be at The Alive Center starting @ 4:00pm. Remember snacks are welcomed, and coffee will be provided. Special thanks to those that have showed up over the past few months.

P.S. I have receipts today.

H&I Sub Committee Report

12/13/09

meetings at the Warren Co Jail are going well with good attendance and participation.

Debra N. is in "training" for the women's panel leader position. Thank you Debra, you are a God send.

I am currently working on letters to the Allen Co Jail, Simpson Co. Jail and Grayson Co. Jail to introduce our program to Grayson Co in hopes of getting a meeting once a month to start. Letters to Allen and Simpson are to help get meetings in line with H&I guidelines or cover our area by removing our name from the meetings currently going into those facilities.

I am requesting my budget for literature today so that I can order literature for my panel leaders.

Our next meeting is scheduled for Sat January 2, 2010 at 4:30 at St James United Methodist Church.
