

RCMA Report
SEPT 13, 2009

DEAR FAMILY

I would like to take this opportunity to remind our committee of motion 7-2-09 which has been submitted by the KRCNA 24 committee for consideration. It proposes that we form a Serenity Team Chair position and committee to be part of KRCNA convention guidelines, separate from the Hotels + Hospitality Committee. It's intent is to have a committee that helps maintain safety and security during fundraisers and the convention. Policy will be affected, our current guidelines have the Serenity Team as part of the Hotels + Hospitality Committee. This motion, if passed, would separate the Serenity Team from the Hotels + Hospitality committee, and make them their own entity. The regional meeting, by executive order, has been changed from Sept. 20th to Sept. 27th.

Policy & Procedure Sub-Committee Report

Dear ASC,

The P&P Sub-committee will meet on October 3rd 4:00 at the Alive Center to review the many policy changes and the language that is affected. The focus of the October P&P meeting will be to proof read and prepare for the finalized policy. The adopted changes to the prudent reserve affects several different sub-committee budgets and activities, such as Literature. Again our goal is to have the revised policy ready for distribution by January 2010. After the October meeting supplementary pages will be available for distribution to help inform those interested in the policy changes to date.

H&I Report

9/13/09

Dear family -

Things are going great with H&I! All meetings are being made and meeting schedules and literature going in each time. I have also been able to purchase 3 basic text for Mens Class D, 1 Basic text for Womens Side and 1 basic text and 1 Spanish basic text for Mens A/B side. Each quarter I hope to add a new copy to the Mens/Wms libraries.

I would like to take this opportunity to express my sincere gratitude to all the support that I have gotten with all the recent addicts asking to be approved to go into the yawl. I have an acting Mens A/B side panel leader and 4 new guys going into the yawl. I am still in need of a wms panel leader but have faith that one will come. We are keeping the meeting going in and have 2 new women approved. H&I is important and again thank you for your service you are excellent example of everything NA stands for.

Planning is going well for the learning day. We have had lots of support for this event once again

proving that the message is
being carried in a strong way
in our area - Mike and I are
very grateful.

I am turning in invoices for
t-shirts, printing and posting flyers
for our event. We are asking
homegroups for donations of cash
or soft drinks for our lunch at
~~the~~ the learning day. We are also
in need of a few signed checks
to cover expenses we will have
the week of the 26th.

We are also looking for any
H&I or PI items for an ~~online~~ auction.
We are having a jacket embroidered to
match the t-shirts we have 400. This
will be our main auction item.
