We Do Recover

Dear Family,

The We Do' Recover hmgrp. is held it's group conscience on 2/13/10. We are still mtg. at Christ Episcopal Church on State St. at this time. We have been mtg. at this location since Dec. 19th 2009. According to the contract we signed, we had 90 days to meet @ the facility, at which time we are to provide proof of Gen. Liability Insur. At this time our group has still not met that requirement, which gives us approx. 30 more days or 1 mo. to continue meeting there. We ~~have~~ will be looking at other options for a new place to meet throughout this mo. in order to attempt to not have to have any interruptions in our mtg. schedule. More will be revealed as decisions are made in regards to this issue.

The group celebrated a Birthday on the 13th - Michelle W. celebrated 1yr. - Congratulations Michelle.

We have placed a literature order and established a chairperson for the mo. of Feb. We are sending a donation to the Area this mo. in the amt. of \$20.

In Loving Service,

Stephanie G. - GSR, WDR

G.S.R. Report
Febuary 14, 2010**

Hey

family,

We had our group conscience on the 11th of Febuary with 8 recovering addicts present. We discussed how the meetings were going and were we carrying a message of recovery to all that attended. We feel that our rotation of chair-persons helps the meetings to stay fresh and allowed for a broader range of topics. We had 2 new members to join, Debra m. and George R., we elected to have George as the GSRA, and Debra as the Literature person for the group. We are discussing a picnic for this summer sometime, the exact date is in limbo at the moment. We v4ted on the motion to change the agenda and passed that 8-0-0. . We have a \$20.00 donation for the area at this time.

In Loving Service,

Bobby W., GSR.

Doing, Not Dreamin'

Hello Trusted Servants of N.A.

I'm Angela and I'm an addict. The DND group is doing well. Attendance has remained steady for the past month averaging anywhere from 8-15 addicts. The past 2 weeks we've welcomed 3 newcomers, 2 of which recently released from jail and were introduced to N.A. through H&I. We'd like to extend special thanks to the literature committee and N.A. area members as a whole for helping us get started and for the starter pack of literature. We'd also like to take this opportunity to invite all the homegroups represented here today to ~~help~~ ^{come} us and ~~check us out~~ ^{fellowship with us} and support us - We need you. Check us out Mon. @ 10 am, Thurs @ 11 A.M and Sat. @ 7pm. (literature mtg.)
 Thanks again! In Loving Service

H.O.W. 2 Surrender & Win

2/14/10

Dear Family,

Hello from the H.O.W. 2 Surrender & Win Group. We are pleased to announce that meetings are going well with an average attendance of about 10-12 addicts on Tuesday and Thursday mornings and about 20 addicts on Wednesday mornings when Park Place attends. We have been trying something different on Tuesday mornings the past couple of months with our Literature/IP format meetings with ~~the~~ going over the 12 Concepts and I am pleased to announce that those meetings went very well. When we finish with the 12 Concepts, we will move on to the 12 Traditions. We are also pleased to announce that we have had a couple addicts return to the homegroup recently, and the help has been much needed, but we are always in need of trusted servants. This month we will not be making a donation to area. Thanks.

In Loving Service,
Chris M.

Dear Family,

Keep it Simple is growing and doing well. We have about 20 addicts in attendance. We are doing our step study once a month. Patti will be celebrating 1 yr this Wednesday.

Sorry we didn't get our financial statement for the year done. Our GSR's computer was down and she had to get a new one. Information was lost. She has a computer now and is learning about it. She was not able to get it done in time. If you still need the report our GSR will figure it out again and bring it next month.

We are trying to carry the message of recovery to every addict that comes in our door. And are very grateful for your love and support.

**In loving service,
Regina L.**

Diversity In Unity

Dear family,

All is well at DIU and our meetings are going well. From now on we do ask that all children 17 and under to remain inside the meeting room at all times. The only other place we are allowed is to the restrooms. We have had no problems this is just to possibly prevent a mishap in the future. We have one celebration this month, Lelah M will celebrate 2yrs on Mar 6th.

Included is a six-step process to acquire liability insurance for a group. It was downloaded from NAWS, so it shouldn't be a problem to be included in the minutes.

P.S. \$40⁰⁰ donation to area.

In loving service,
JR. D

Living The Program

Dear Family,

Meetings are going well. Total attn. for month 210 people + 28 newcomers.

And as a homegroups we would like to ask that the treasurers present a revised version of the treasurers report to provide more accurate information. Please...

For instance...

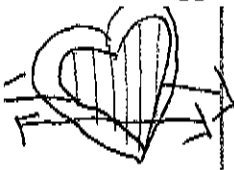

Operating balance set aside from prudent reserve. (meaning giving only operating balance in report.) more accurate info on what checks are still out. What bills have been paid, what bills are due, how long we have to pay.

To be more accurate for the treasurers and the homegroups to know how much \$ we have to work with.
