

## N.A. Resume

**Dear NA Member,**

Before you complete your service resume form, we would like to let you know a little more about service at the Area / Regional / World \*level. The position for which you may be nominated will require that you make a commitment of at least one year / two years / three years / five \*years. This means that you may be asked to make a considerable investment of your time. You may be asked to travel and spend time away from your family, your job, and your home. For members and officers of some committees and boards, this means at least one weekend a month away from home. You may also be required to spend some of your personal funds in order to fulfill your responsibilities. Certainly, you will have work to do at home in your spare time, such as reading or writing reports and discussing the plans and objectives of your work with other members of your board or committee. In addition, you may be asked to participate in conference telephone calls with other trusted servants.

In order to provide our fellowship with the very best level of service possible, we ask that you carefully consider the responsibilities that go with the elected position for which you may be nominated. You may wish to consult your employer, your family, or your sponsor. Talking with members who have served at this level may give you additional insights into the commitment involved. Service on this level has many rewards and may have a profound effect on your life and personal recovery. However, it does not come without hard work, long hours, dedication, and personal sacrifice.

In fellowship
